

PH Meter

- ❖ Wide manual temperature compensation adjustment can be operated by push button on the front panel easily. Auto shut off saves battery life.
- ❖ Memorize Max./Min. reading with recall.
- ❖ Large screen, LCD display, dual parameter
- ❖ Digital Precision PH Meter
- ❖ Display pH, Temperature value or mv, humidity value

Model	PHS-3E
Measuring range	0 to 14 PH (0-1800 mv)
Resolution	pH: 0.01 pH mV: 1mV Temperature: 0.1 °C
Basic Error	Max. 0.02. PH
Dimension	219 x 199 x 84 mm (L x b x h)

Included Accessories:

- E-201-9 Combined Electrode
- T-818-B-6 Temperature Electrode
- Multi-function Electrode Holder
- Fuse BGXP $\Phi 5 \times 20$ 0.5A
- Buffer Solution
- Universal Adapter
